

# Public-Private ITS Initiative/Roadmap 2018

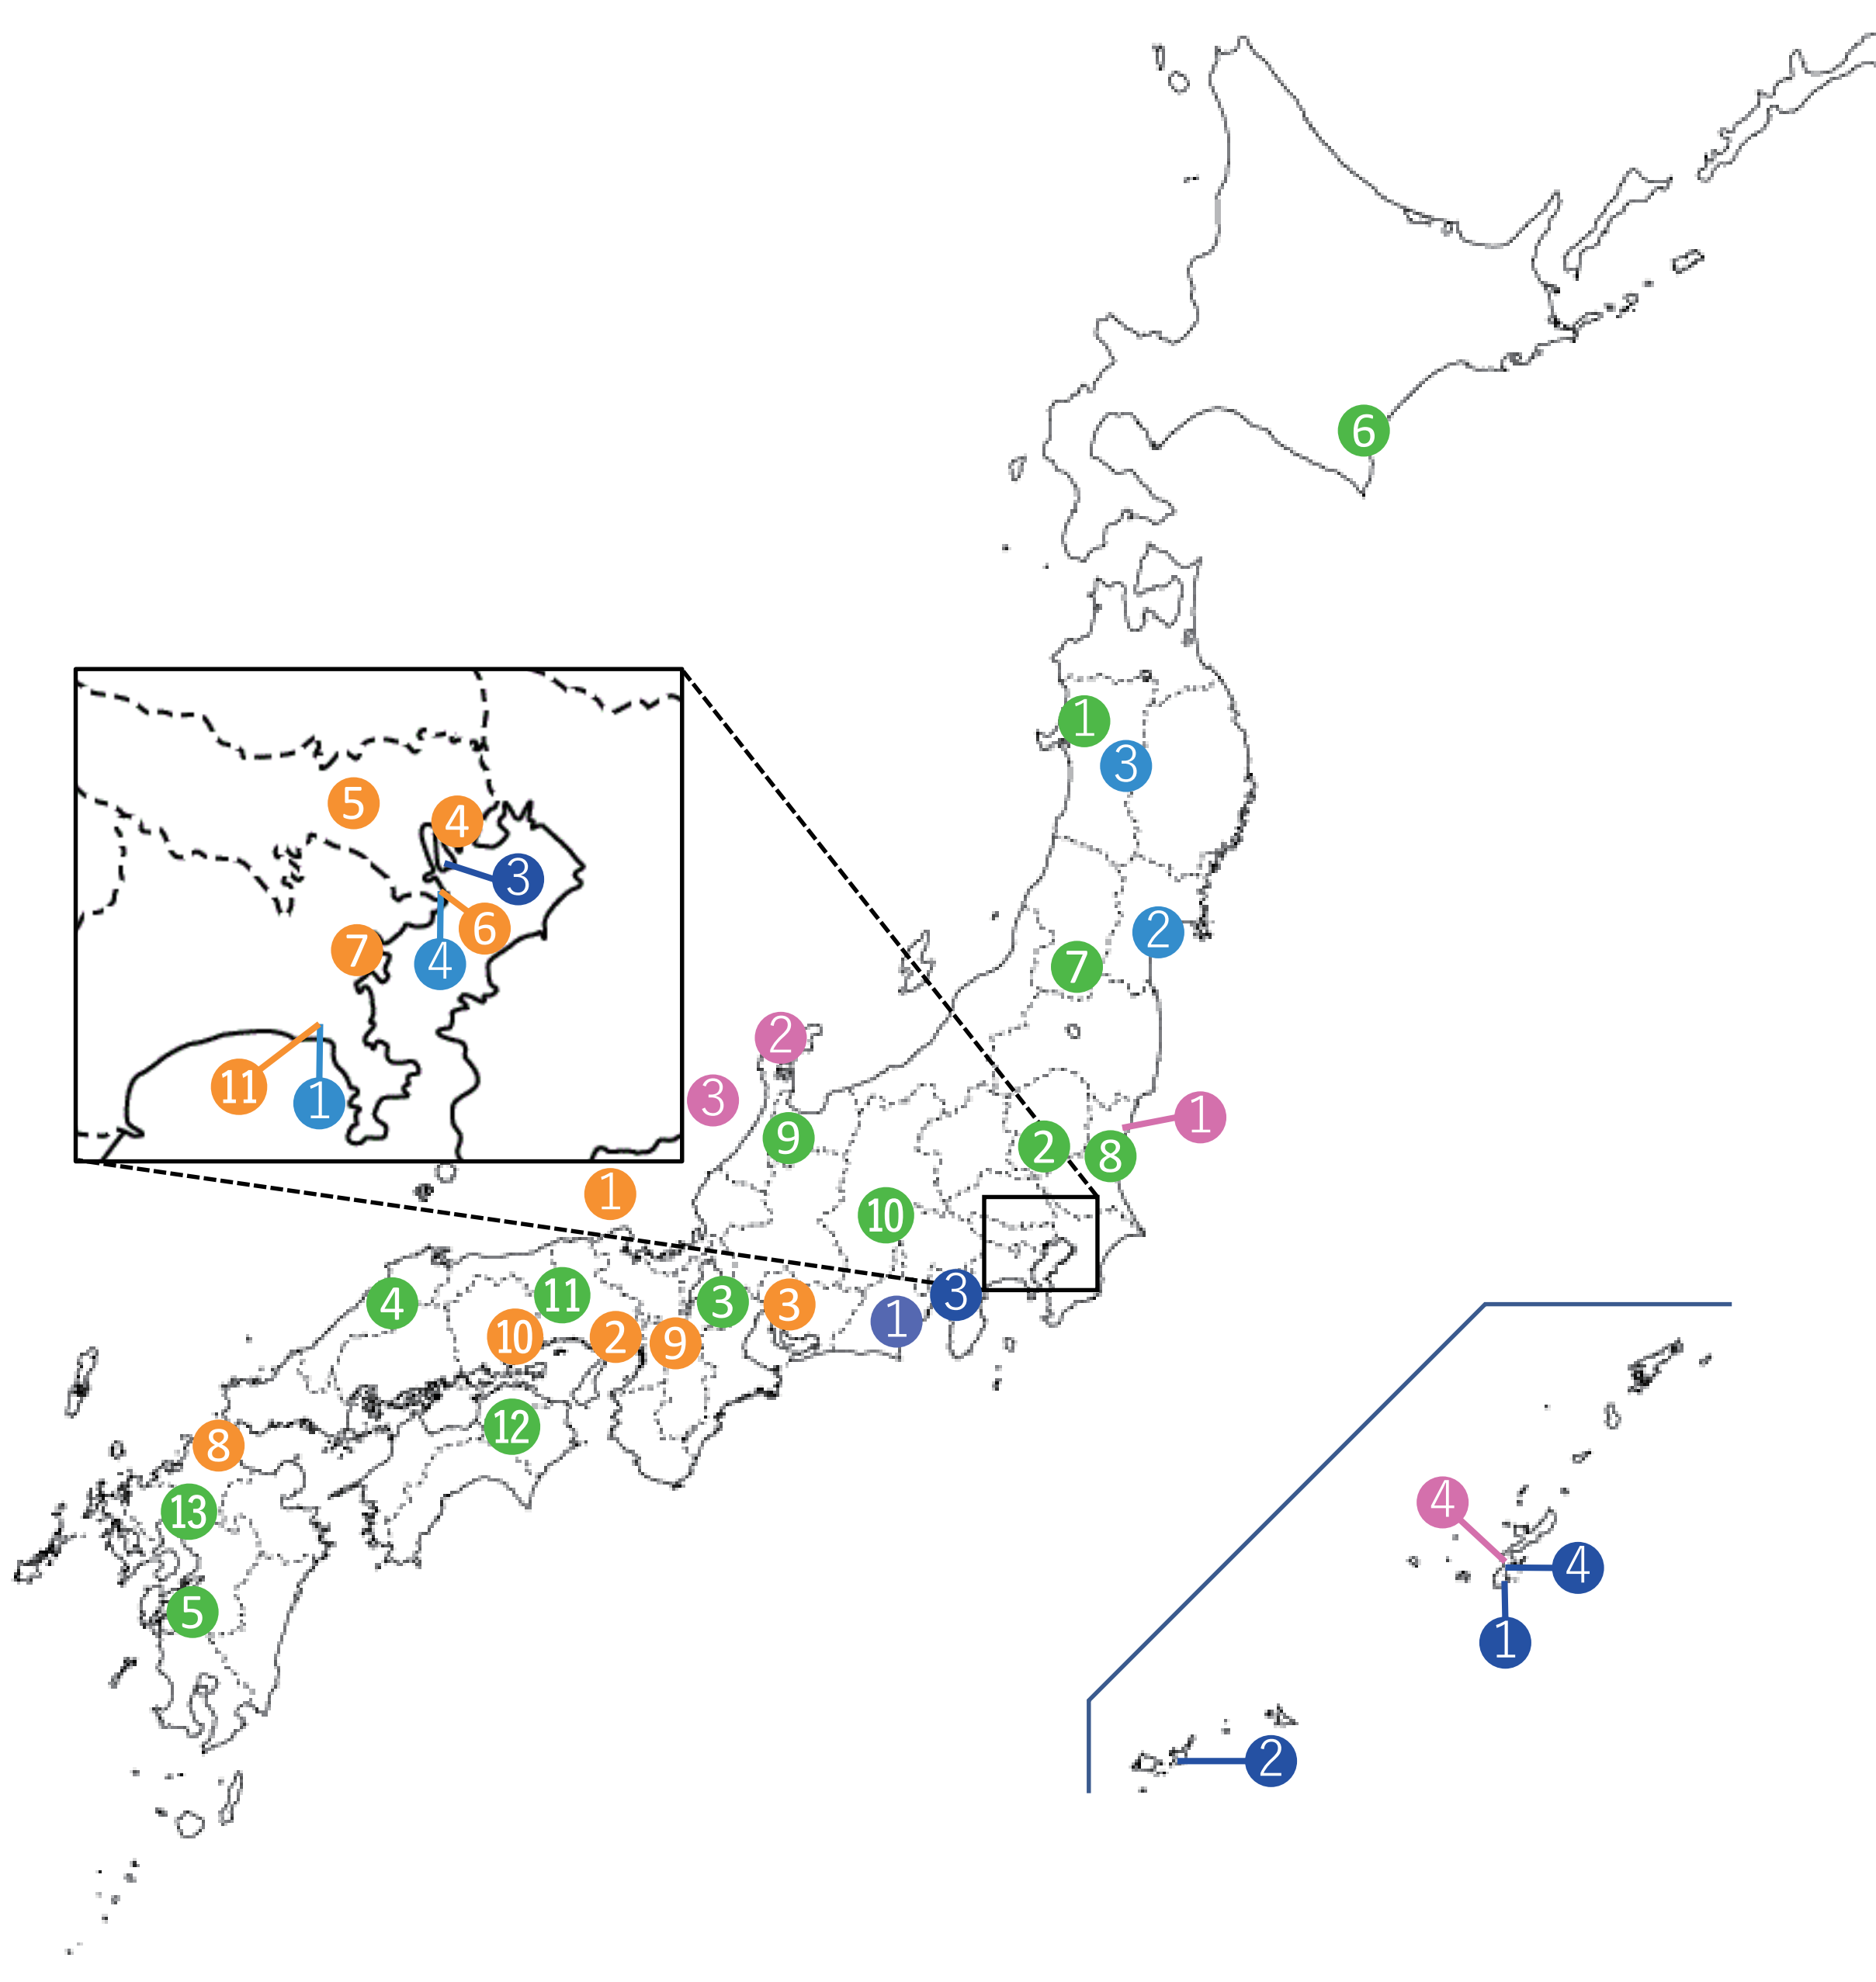

## Overview

- Since it was formulated in 2014, the Public-Private ITS Initiative/Roadmap has been updated each year based on the latest changes in circumstances affecting ITS and automated driving systems.

## Scenario for Achieving Automated Driving

## Automated Driving Field Operational Tests

- Automated Driving Services at Roadside Stations and Other Locations (MLIT / Cabinet Office - SIP)
- Last-Mile Automated Driving (METI / MLIT)
- SIP Projects (Cabinet Office)
- National Strategic Special Zone Projects (Cabinet Office)
- Truck Platooning (METI / MLIT)
- Projects Conducted by a Local Government, Private Company, or University
